

God's desires for us are not hard to discern. He wants to bless us with salvation. The incredible gift of His Son is a powerful testimony to this truth. Yet salvation from sin and death is not something He wants to happen in our lives just once. He desires our lives to reflect His salvation daily and to share that salvation with others through the way we live. When we act justly, pursue mercy in our relationships, and honour Him with humble hearts, God's salvation becomes real in our lives and impacts others with His grace. In the language of Jesus, we work for God's Kingdom to come and His will to be done on earth, and in us, as it is in heaven (Matthew 6:9–10).

This is what the team endeavours to do through all the work and ministry undertaken at BFM, and we continually value and appreciate your prayer support.

As we move towards the end of May and into the summer season, we are reminded of God's faithfulness and the new opportunities He places before us. Even though the world around us can often feel uncertain and filled with negative news, it is reassuring to know that the Lord walks beside us each day, guiding, strengthening, and sustaining us. In Him we can always find peace, hope, and encouragement.

The Gospel of Jesus Christ continues to be proclaimed daily without compromise on BFM through the many ministries we broadcast, together with uplifting words and music to encourage listeners in their daily walk with the Lord wherever they may be. We pray these programmes continue to be a blessing to everyone who tunes in. Please do continue sharing BFM with friends, neighbours, work colleagues, and family members so that others too may come to know Jesus and experience a personal relationship with Him.

HIGHLIGHT

NEW STUDIO

SCARBOROUGH

VOLUNTEER

NEW STUDIO BUILDING WORK

Building work on the new studio is progressing nicely as we now have the 3 main floors in with adjoining staircases allowing us to see and plan out where the interior fittings are to be located which includes the broadcast desks. We are planning to have 2 new studios and a rest area which will have a small kitchen and toilet area.

The builders continued their work in the February half term school holidays, so we can now draw out the plans for the interior and look at where the electrical and utilities will be sited etc.

There is still a lot of work to do on the project and we need to see finances come into the ministry to allow the work to be completed so please pray into this area and let's see God provide for all our needs relating to it and also to cover the ongoing daily broadcast costs we presently have to meet. Don't forget if you want to donate to BFM then you can do so through the website via Just Giving or PayPal.

SCARBOROUGH

Tom and Barney with Alex
from kingdom faith

A few members of the team had the chance to visit Scarborough in October for 10 nights. We were incredibly busy and we were amazed and overwhelmed with how God blessed us and the opportunities He gave us to meet and build relationships with people and to do lots of interviews. We did over 20 interviews. Plus we had some lovely sunny weather for the first part of our time away anyway.

We got the opportunity to go out on the Saturday with the Street Angels team to see the work they do. Barnabas was able to not only do the Scarborough park run but also to do an interview about it which at the time had not long been set up. We got invited to the Scarborough Sea Cadets to see the work they do and to do some interviews. We had a tour of Beckview Studios and had the opportunity to be a part of the audience for the Live Festival of Praise. There is so much more that we could mention but we are just so grateful for the blessings of God and His leading and to see God at work in Scarborough.

Also, seek the peace and prosperity of the city to which I have carried you into exile. Pray to the Lord for it, because if it prospers, you too will prosper. - Jeremiah 29:7 (NIV)

VOLUNTEERS AND HELPERS

We continue to look for volunteers to get involved with the station and help out with the various roles within the ministry. Once again we will hopefully be working with our local schools, Colleges and Universities providing work placement opportunities for students. If you are interested in helping at Branch FM or know of anyone then please drop us an email at studio@branchfm.com.

WALK

The Branch FM Annual 10-Mile Sponsored Walk took place on Monday, May 25 — and what a fantastic day it was, with great conversations and laughter along the way!

Running the station takes ongoing support, and events like this make a real difference. A huge thank you to everyone who walked, donated, encouraged, and supported us again this year.

If you'd still like to contribute, donations can be made here www.branchfm.com/donate.html
